COACHES

Tom Potts and Harold Gray

The 1964-65 basketball team had another winning season with coach Tom Potts. Coach Potts was pleased with the 11-9 record the Owls compiled during the season. This year's team had the longest winning streak, in the past 30 years, than that of any other ball team to come from Manilla. This string had eight wins in a row, until they went into the Tourney at Liberty on December 28. After the tourney, the Owls never seemed to get back on their winning streak. In the all important Sectional the Owls were beaten by Milroy 74-72. The starting five was Bill Crisman and Bob Smith as the forwards, Norman Collings at center, and Steve Branam and Bruce Willey as the guards. But, all in all, the '64-'65 basketball team will well be remembered for their string of eight wins.

*Denotes seniors

The 1964-65 Manilla High School Baseball team compiled a very poor record this year while winning one and losing five. However they were not as bad as their record might indicate. They couldn't get good hitting and good pitching at the same time. In several games the breaks just went to the other team and most of the time so did the victory. Doyle Chandler led the hitting parade with an average of .368.

Joe Smith

The 1964 Manilla cross country team had a good season this year even though this is a relatively new sport at M.H.S.

The squad was built mainly around Joe Smith, but the whole team ran well. They participated in a total of eight meets including the county meet. The team ran two dual meets winning over Milroy and five three way meets placing second in four and third in the other. In the very important county meet Manilla finished third behind strong Morton and Carthage teams. Joe Smith, our number-one runner, placed thirteenth with a time of 11:41, and the rest placed seventeenth through twenty for a total of eighty-seven points.

The seniors are Danny Brown, Junior Kuhn, and Steve Branam.
